NORTHERN CALIFORNIA GROWN ROSES

"Nature Ripened"

W. B. CLARKE & CO.

Growers of Quality Roses for Over 30 Years

Our Northern California grown roses ripen early so we can normally ship bush roses and climbing roses, thoroughly hardened, in early December if required—a distinct advantage to those in areas where early planting is possible.

Grading is in accordance with A. A. N. standards and we are particularly careful in handling.

Shipping. Our responsibility ceases when plants are delivered to transportation company in good order, and travel at buyer's risk. Please state distinctly method of shipment desired.

Complaints must be made in writing within 10 days after buyer receives the goods.

We are members of **ALL AMERICA ROSE SELECTIONS** which gives us first access to the annual **All America Winners**.

1958 A. A. R. S. WINNERS

FUSILIER, orange red floribunda.

GOLD CUP, golden yellow floribunda.

WHITE KNIGHT, white hybrid tea.

Standard (Tree) Roses

What *does* the most toward making a good tree rose? The answer is a good root system with a well-balanced head! Our four-budded Trees with well developed heads on strong 36-inch stems have made a hit throughout the country. For years we have sold out long before the shipping season starts. Place your order early.

Carload service usually available for eastern orders.
